Re: *United States v. Chealique Curry, 19 Cr. 742 (AKH)*

Dear Judge Hellerstein:

The parties write to request a brief adjournment of the conference in the above-captioned case, currently scheduled for September 2, 2020. The parties are discussing a resolution of this case without the need for trial, and an adjournment may allow the parties to complete those discussions. The parties therefore respectfully request that the Court adjourn the conference for approximately two weeks.

In the event that the Court grants this request, the Government also respectfully requests that the Court exclude time under the Speedy Trial Act until the new conference date. The ends of justice served by granting such an exclusion outweigh the best interests of the public and the defendant in a speedy trial because the adjournment will advance disposition of the case without the need for trial. Defense counsel consents to this request.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
